For Posts interested in providing articles regarding Readiness and Homeland Security for 2010, Eileen Erickson is willing to review them for possible publication on TME Online. All articles for TME, whether print or online, must follow the guidelines noted in the Writer Guidelines that are available on the website at www.same.org/TME.

Books for Iraq

The Rock Island Post Board of Direction, led by our President, Bob Ivarson, has voted to press forward with providing engineering books to Iraqi public works engineers who are members of the Joint Base Balad Field Chapter of SAME. They have been ordered for direct shipment from the supplier to Rock Island Post member 2LT Bryan Snook, who is deployed to Joint Base Balad in Iraq. We will have an update from Bryan in a month or two on the distribution and use of the books. Joan Freitag, Great Lakes Regional Vice President of SAME, led a conference call on August 3 of all Great Lakes Region Post Presidents, in which she urged each post to help the Rock Island Post defray the cost of the materials. As of this writing, there have been several encouraging indications that the posts will pursue this through their Boards of Direction. This effort is a part of the on-going RI Post, Deployed Engineer Support Program.

USAFA SAME Camp Success

Thanks to anyone who was involved with the USAFA SAME camp. Students enjoyed being with other teenagers like them and doing hands on activities to try out various branches of engineering.
