December Meeting: BASE4D – Optimizing Military Installation Operations

BASE4D® is drastically changing the way complex operations on military installations are planned and resourced. No longer do trainers have to wade through a multitude of business processes to schedule space, instructors, and resources to successfully complete their training. The new geospatially-based advanced scheduling application has created a common platform for all consumers and providers to plan, request and allocate resources to their activities using a unified business process. LTC Scott Fehnel will present. He is currently a program manager with HNTB Corporation. He spent over 20 years on active duty as an Engineer Officer and culminated with the Command of a 1000+ soldier Engineer Battalion in Iraq during the initial invasion.

We will also hold the annual election of post officers at this meeting. See the end of these notes for the nominees.

Post Leaders Workshop

The first Post Leaders Workshop of 2011 will take place Jan. 13-14 in Las Vegas, Nev. Registration is now open at www.same.org/PostLeaders. The Post Leaders Workshop provides Post Leaders with information on best practices and the National Strategic Plan and Goals, and offers an opportunity to share ideas to achieve the goals set forth in the SAME Strategic Plan. SAME will cover registration and the Post will reimburse travel expenses for one of our members to attend. Please contact an officer to apply.

Installation Dinner

The installation dinner for 2011 is tentatively scheduled for 5:00 pm Friday January 21 at the Outing Club in Davenport.

Other News

University of Iowa Student Chapter

The University of Iowa Student Chapter met Thursday December 2. Thank you to Warren Lloyd, KJWW for presenting. The chapter plans to send a member to the Post Leaders Workshop in January.
