## 2015 Small Business Conference – Nov. 4-6

There is no better place to hold a Small Business Conference than in New Orleans, commemorating the 10th Anniversary of Hurricane Katrina -- one of the costliest natural disasters as well as one of the deadliest hurricanes, in U.S. history. Yet in the wake of that tragedy, emerged businesses--large and small--and numerous federal agencies working together efficiently and expeditiously to rebuild the levee system, the local community and the morale of its citizens. Keynote Speakers include David Nour, a Global Business Advisor, and Lt. Gen. Russell Honore, USA (Ret.) Commander, Joint Task Force Katrina.
